

Location:		Name:		
Date:		Team Member(s):		
Sample #/ID:		FFG***	Tally	Total
Mayflies (Ephemeroptera)				
	ameletid minnow mayfly	collector-gatherer		
	small minnow mayfly	collector-gatherer		
	flatheaded mayfly	scraper		
	spiny crawler mayfly	collector-gatherer		
	pronggilled mayfly	collector-gatherer		
Stoneflies (Plecoptera)				
	golden stonefly	predator		
	yellow stonefly	predator		
	little green stonefly	predator		
	little brown stonefly	shredder		
	slender winter stonefly	shredder		
	giant stonefly	shredder		
Caddisflies (Tricoptera)				
	northern case-maker caddisfly	shredder		
	saddle case-maker caddisfly	scraper		
	lepidostomatid & humpless case-makers	shredder		
	net-spinner caddisfly	collector-filterer		
	free-living caddisfly	predator		
	finger-net caddisfly	collector-filterer		
Dobsonfly and Alderfly (Megaloptera)				
	dobsonfly/hellgrammite	predator		
	alderfly	predator		
Dragonflies & Damselflies (Odonata)				
	dragonfly	predator		
	damselfly	predator		
True Bugs (Hemiptera)				
	water boatman	collector-gatherer**		
	backswimmer	predator**		
Water Beetles (Coleoptera)				
	riffle beetle - larva	collector-gatherer		
	riffle beetle - adult	collector-gatherer		
	predaceous beetle	predator		
	water penny	scraper		
True Flies (Diptera)				
	midge	collector/predator		
	black fly	collector-filterer		
	crane fly	shredder/predator		
Other Aquatic Macroinvertebrates				
	flatworm (Platyhelminthes)	predator/collector		
	aquatic earthworm (Annelida)	collector-gatherer		
	"gilled" snail (Mollusca) - right-side opening	scraper		
	"pouch" snail (Mollusca) - left-side opening	scraper		
	clam/mussel (Mollusca)	collector-filterer		
	water mite (Arachnida)	predator/scavenger		
	scud (Crustacea)	collector-gatherer		
	aquatic sowbug (Crustacea)	collector-gatherer		
	crayfish (Crustacea)	collector-gatherer
